Only the Official Workbook May Be Used

Eagle Scout candidates must use the official *Eagle Scout Service Project Workbook*, No. 512-927, as produced by the Boy Scouts of America. The official fillable PDF version can be found at www.scouting.org. Although it is acceptable to copy and distribute the workbook, it must maintain the same appearance with nothing changed, added, or deleted.

No council, district, unit, or individual has the authority to produce or require additional forms, or to add or change requirements, or to make any additions, deletions, or changes in the text, outlines, links, graphics, or other layout or informational elements of the workbook. It is permissible, however, to print, copy, or send individual pages or forms within the workbook as long as they are not changed in the process.

Please note; even if your project was already approved in 2011 you still need to use the new Eagle Scout Application.
